NUTRITION, WEIGHT LOSS & FITNESS

HOW MUCH FOOD?

The stomach can only hold so much. Overeating burdens the stomach, causing it to expand beyond its normal size to adjust to the large amount of food. The expanded stomach pushes against other organs, making you uncomfortable. To digest the extra food, the stomach produces more hydrochloric acid and this acid may back up into the oesophagus resulting in heartburn. This burden calls on extra forces from the brain and muscles, and many can testify they feel fatigued and sleepy when they overeat. It's the best thing to stop eating before you feel full. Try eating 5-6 small meals throughout the day finishing all meals by 7 pm.

Help save lives. Give blood.

Why Donate Blood?

You don't need a special reason to give blood. You just need your own reason.

- Some of us give blood because we were asked by a friend.
- Some know that a family member or friend might need blood some day.
- Some believe it is the right thing to do.

FROM THE HEART OF ATLANTIC COUNTY MAGAZINE

Brackets.

Cinderella Story.

Sweet Sixteen.

Final Four.

Even people who have absolutely zero interest in sports the other 11 months of the year know these terms. March Madness means everyone has a chance. Well, at least the 68 teams picked for the tournament. Outside of the Super Bowl, it's easily the biggest sporting event on the calendar.

Brackets (and office pools) give all of us a chance to take part.

So...who's your pick?

March Madness Activities

- **Throw a viewing party** - March Madness means parties. With games being played all month long just pick a date when your favorite team is playing and invite some friends over to watch the game. Many fans will prepare basketball or college-themed food and drinks or decorate with basketball themed decorations.

- **Fill out a bracket** - No March Madness celebration is complete without brackets. Usually filled out among offices or groups of friends, brackets are a great way to make March Madness even more interesting. March Madness is unpredictable, so sometimes the strangest predictions can come true!

- **Pick a team and watch the games** - Watching the games is an important part of celebrating March Madness. Pick a team to root for and join in on the fun, before you know it you will be cheering along with millions of other fans.

March Madness – March 2025

Why We Love March Madness

- **Underdog stories** - Who doesn't love an underdog story? March Madness utilizes a seeding system that sets the stage perfectly each year for an underdog to upset a highly ranked team. Even if you aren't an avid fan of college sports or basketball it is easy to root for a team that no one saw coming.

- **School spirit** - March Madness is great opportunity to rekindle some passion for your old alma mater. With so many teams involved in the men's and women's tournaments, odds are you've either attended or have some type of connection with at least one school in the tournament. Dust off that old college sweater and support your school!

- **Its single elimination** - One of the most exciting aspects of March Madness is its single elimination format. Each team is playing for their lives in the tournament so every game matters. Even if you aren't familiar with any of the schools playing in the tournament, it is easy to get invested when every game feels like the finals.

The 2025 March Madness tournament starts with Selection Sunday on March 16 as 68 teams will play in the 2025 NCAA tournament for men's basketball. Check out the full schedule below:

Selection Sunday: 6 p.m. ET Sunday, March 16 on CBS

First Four: March 18-19

First round: March 20-21

Second round: March 22-23

Sweet 16: March 27-28

HISTORY OF ST. PATRICK'S DAY

ST. PATRICK'S DAY, CELEBRATED ANNUALLY ON MARCH 17, HONORS THE PATRON SAINT OF IRELAND, ST. PATRICK, WHOSE LIFE AND LEGACY HAVE EVOLVED INTO A GLOBAL CULTURAL PHENOMENON. BORN IN ROMAN BRITAIN AROUND 385 AD, PATRICK WAS KIDNAPPED AT 16 BY IRISH RAIDERS AND ENSLAVED IN IRELAND. AFTER SIX YEARS, HE ESCAPED, LATER RETURNING AS A CHRISTIAN MISSIONARY. CREDITED WITH SPREADING CHRISTIANITY ACROSS IRELAND, HE REPORTEDLY USED THE SHAMROCK TO EXPLAIN THE HOLY TRINITY, CEMENTING ITS STATUS AS AN ENDURING SYMBOL. THOUGH DETAILS OF HIS LIFE BLEND FACT AND LEGEND—SUCH AS BANISHING SNAKES FROM IRELAND (A MYTH, AS SNAKES NEVER INHABITED THE ISLAND)—HIS DEATH ON MARCH 17, CIRCA 461 AD, BECAME A DAY OF REMEMBRANCE.

INITIALLY A MODEST RELIGIOUS FEAST IN IRELAND, ST. PATRICK'S DAY TRANSFORMED OVER CENTURIES. THE FIRST RECORDED CELEBRATION OUTSIDE IRELAND OCCURRED IN 1762 IN NEW YORK CITY, ORGANIZED BY IRISH IMMIGRANTS. AS IRISH DIASPORA COMMUNITIES GREW, PARTICULARLY IN THE UNITED STATES, THE HOLIDAY EXPANDED INTO A SECULAR CELEBRATION OF IRISH HERITAGE. PARADES, GREEN ATTIRE, AND FESTIVE TRADITIONS—LIKE EATING CORNED BEEF AND CABBAGE—EMERGED, ESPECIALLY IN CITIES LIKE BOSTON AND CHICAGO, WHERE THE RIVER IS FAMOUSLY DYED GREEN. IRELAND EMBRACED THE MODERN FLAIR IN THE 20TH CENTURY, WITH DUBLIN'S PARADE NOW DRAWING GLOBAL CROWDS. TODAY, ST. PATRICK'S DAY TRANSCENDS RELIGION AND NATIONALITY, SYMBOLIZING LUCK, COMMUNITY, AND REVELRY. FROM SHAMROCKS TO LEPRECHAUNS, ITS EVOLUTION REFLECTS A BLEND OF HISTORY, MIGRATION, AND CULTURAL REINVENTION—MAKING IT A BELOVED OCCASION WORLDWIDE.

FROM THE HEART OF ATLANTIC COUNTY MAGAZINE

Every Fall by Angela Douglas

A chilling thriller, perfect for fans of Karin Slaughter and Lisa Gardner, exploring the dark side of police culture and family trauma.

Bree knew life married to a beat cop would be tough, but she believes their family will be fine living in the crime-infested city of East Bernheim — that is, until one day crime follows them home. Jake then agrees to stretch their finances and move to a bigger house in a better neighborhood. But Bree, now pregnant with their second child, begins to hear voices and suffer strange dreams. Then when tragedy strikes on the job, Jake enters a spiral of guilt and grief that degrades his grip on reality.

Bree, isolated and struggling, must protect her children from the one person she thought would always keep them safe. A thriller that tackles toxic masculinity in police culture and trauma, you'll be on the edge of your seat. Purchase at <https://bit.ly/400i0PY>.

Dear God, My Life Is in Jeopardy by Tom Covino

When you read the story of Evelyn Dawson, you'll never quite be the same again.

The beginning will make you wonder, the middle will shock you, and the ending may cause you to re-evaluate what you thought were the right answers to some of life's deepest questions.

This book answers the greatest fear that man has ... why am I afraid to die? The first half is written as fiction, and then tied up through facts and truth. In the story, Evelyn finds herself on the game show Jeopardy. No Alex Trebek or other players, just her, the host, and an audience made up of all the best professional actors, athletes and singers. Says one reviewer, "I can't recall a book that affected me so much. From suspenseful and gripping, from Jeopardy to the final courtroom, this book shook me to the core." Greater Atlantic City Concierge Association's Spotlight:
Cordivari's Restaurant

Submitted by: Judy Brenna, GACCA Communications Director
Catering & Events Director, Blue Dog Hospitality Group

Name of venue: Cordivari's Restaurant

Where are you located? Cordivari's is located at 3004 West Brigantine Avenue in Brigantine

What are your hours of operation? We are open Wednesdays through Sundays from 4 to 9 pm.

What does your venue specialize in? Cordivari's Restaurant in Brigantine, New Jersey, offers homemade pasta and both traditional and unique Italian dishes. This family-run BYOB establishment also serves local wine while maintaining a family-style atmosphere. Entrees are served individually.

Try our newest creation
MEDITERRANEAN BUTTER BOARDS

Soft butter topped with Prosciutto, Walnuts, Goat Cheese, Arugula & Fresh Figs! Finished with your choice of Honey or Balsamic Glaze. Served with Italian Bread Slices.

\$16

What is the current reason one MUST come to your venue? Our Mediterranean Butter Boards are a tasty new trend. For only \$16, they feature soft butter with goat cheese, prosciutto, walnuts, arugula, and fresh figs, topped with honey or balsamic vinaigrette, and served with fresh Italian bread.

What is the venue's greatest feature? What makes Cordivari's stand out from the sea of Italian restaurants in our area is that they make their own pasta, every day, on the premises, from ravioli, gnocchi and spaghetti to fettuccine and capellini.

What are some other special reasons to come visit? Some of their most renowned dishes include Capellini Calabraise: shrimp, calamari, and lump crabmeat tossed in a house-made blush sauce, garnished with capers, green peas, and fresh basil served over capellini. The Pollo Principessa features sautéed chicken breast with crabmeat and asparagus, served with a light white wine sauce complemented by a touch of cream. Additionally, customers favor the Lobster Venetian, which consists of a Maine lobster cooked franchise style with jumbo shrimp and topped with a light white wine cream sauce. This dish is paired with lobster ravioli, made with house-made ravioli stuffed with lobster and ricotta in a basil cream sauce. One of Chef Jim's personal recommendations is the Pollo Natalie: sautéed chicken breast topped with prosciutto, fresh mozzarella, and capers, all presented in a white wine lemon butter sauce.

Please share any important information locals and visitors should know about: Cordivari's offering some great catering packages, suitable for any occasion, including half and full trays of appetizers and salads, pasta, entrees, and delicious desserts! Call for menu options or visit them online!

ROSEMARY MARTIN & *Kato*

Rosemary Martin of Philadelphia, Pennsylvania, came to The Seeing Eye to be matched with her third Seeing Eye dog, a black Labrador retriever named Kato. The photo shows Rosemary, wearing a black dress and sitting on a large rock, bending over to get a kiss from Kato.

“I like to think that the secret of The Seeing Eye is in the magic of the match,” Rosemary said. “Kato is the perfect combination of my first two guides. He has the confidence and diligence of Jordan, the affection of Star, and is as loyal as both.”

Rosemary is a contract specialist for a federal agency and works on a military base. “My building holds about 800 people, and Kato was able to locate my cubicle after only a few trips with little direction from me. I’m not sure who will be more excited to go back into the office once COVID-related restrictions are lifted,” she said.

PPAWS - People & Puppies at Work for Sight "MEET THE PACK!"

URGENT!!! SEEKING PUPPY LOVERS

URGENT: Seeking all puppy lovers and Seeing Eye supporters! We are in critical need of Seeing Eye puppy raisers to help us continue our mission of providing enhanced independence to people who are blind. Puppy raisers are volunteers of all ages, from all walks of life, who care for a German shepherd, golden retriever, Labrador retriever or Lab/golden cross puppy for its first year (from 2 months old to about 14 months old). There is no experience required, and it's ok if you have pets in your home already. The Seeing Eye provides you with the resources to teach house manners, basic obedience skills, and socialize them to all kinds of people and everyday experiences.

You aren't alone in this adventure! Every puppy raiser is part of a puppy club in their community, which allows you to connect with other puppy raisers and receive support from club leaders and Seeing Eye staff members. If you're still not convinced, The Seeing Eye covers the cost of all veterinary bills and provides a stipend for food. Learn more about how you can make a difference by joining a warm and supportive community of volunteers at seeingeye.org/raise

Photo Description: Three Seeing Eye puppies—a German shepherd, golden retriever, and black Lab—wearing Seeing Eye puppy raising program bandanas sit and stand on stone pavers outside the Seeing Eye's main entrance. The German shepherd sniffs the golden retriever while the golden retriever and Lab look ahead. Text reads, "Raise a puppy, change a life — seeingeye.org/raise"

PPAWS (People & Puppies at Work for Sight) is a dedicated group of local families from Atlantic and Cape May Counties, which raise these amazing puppies for The Seeing Eye. Until a Seeing Eye dog is ready for training, he or she lives with a puppy raising or foster family that gives the dog love, gentle guidance, and consistent care. These volunteers nurture their puppy to accomplish its special destiny.

If you are interested in raising a puppy for The Seeing Eye, call Peter at (609)804-8774 or visit seeingeye.org/raise for info.
