## **ATLANTIC COUNTY CALENDAR**

### **SMITHVILLE**

#### **April 12 & 13 - Renaissance Faire** 11am - 5pm

Join the players of the New Jersey Renaissance Faire and travel back to the days of yore and merry olde England as the historic village of Smithville is transformed into the Shire of Smithville in the heart of the English Renaissance. The good Duke of Northumberland has decreed merriment for all. Fun for the whole family including comedy, tragedy, sword fighting, dance, song, knights, jesters and so much more. Also stroll amongst the wares of the local vendors and traveling merchants sporting historical gifts and finely crafted items. Visit the website of the New Jersey Renaissance Faire at <http://www.njrenfaire.com/> and feel free to send us a message via ye olde email at [info@njrenfaire.com](mailto:info@njrenfaire.com)

#### **April 25 - Earth Day Hosted by Go Green Galloway** 4 - 7pm

Seven years ago, Go Green Galloway launched the Green Market, a summer farmer's market that quickly became a local staple. In recent years, the organization decided to enhance this market by introducing a special Earth Day event, now in its fourth year. The Earth Day Green Market offers attendees a unique and vibrant experience that goes beyond the typical shopping affair. More than just ornamental, native plants play a crucial role in supporting South Jersey's ecosystem. Multiple native plant nurseries and the Native Plant Society of New Jersey will be present at the Earth Day Green Market, guiding visitors on selecting plants that work well in various conditions, including shade and perimeter areas. However, the Earth Day Green Market is not merely a plant show. Attendees can explore a diverse array of vendors offering crafts, artwork, and delicious food. From vegan and vegetarian treats from Café Blossom on the Go food truck to honey from Busy Bees, fresh bread from Baker's Bounty, and pies from Dawn's Delights, there's something scrumptious for everyone.

Help save lives. Give blood.

### Why Donate Blood?

You don't need a special reason to give blood. *You just need your own reason.*

- Some of us give blood because we were asked by a friend.
- Some know that a family member or friend might need blood some day.
- Some believe it is the right thing to do.

Whatever your reason, the need is constant and your contribution is important for a healthy and reliable blood supply. And you'll feel good knowing you've helped change a life. To learn more, visit [www.redcross.org](http://www.redcross.org)

**The need is constant. The gratification is instant. Give blood.**

## NUTRITION, WEIGHT LOSS & FITNESS

### LET THE SUN SHINE

Exposure to the sun's rays allows our body to naturally produce vitamin D. In otherwise healthy individuals, fatigue can be a sign of low vitamin D levels. Sunshine boosts the mood and increases blood movement, which equals an increase in oxygen movement through the body. Sunlight also purifies the air, allowing a higher percentage of oxygen in the air.

Low vitamin D may be caused by less exposure to sunlight, application of sunscreen, elevated melanin in skin, or fully covered skin. Allow your bare skin at least 30 minutes of sunlight exposure each day.

## FROM THE HEART OF ATLANTIC COUNTY MAGAZINE

This year, the A.K.C. National Championship will run from March 21 to 24. This annual event does not have a fixed date and participants have to wait for the official announcement from the event's organizers. The championship is a dog sport in which the dog is directed by the dog's owner to go through a pre-set obstacle course within a certain time limit. Courses will have about 14 to 20 obstacles, which include tunnels, weave poles, tire jumps, seesaws, and pause tables where the dog is required to pause for a set amount of time. At each specific trial, the dog and the owner must race around the courses designed for the day, and the dog must depend solely on the owner's body language to direct them throughout the course.

### History of AKC National Agility Championship

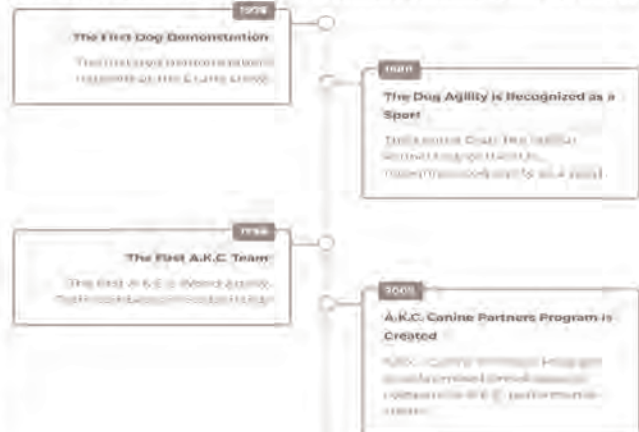

Dog agility is the fastest-growing sport in the country. It captivates spectators of all ages and gives them a serotonin boost as they watch lovely dogs jump around. Dog agility show first took place in Crufts Dog Show. John Varley in the 1978 Crufts annual show was tasked to create an event that would entertain the audience between the conformation and the obedience segment of the show. John collaborated with Peter and created the first dog agility demonstration. It was broadcast on Belgian television and was well received by people so much that the demonstration returned in 1979.

Varley, who is also the narrator of the competition, explained that the goal behind his creating the event was to bring some fun to Crufts. This agility course was very similar to the modern agility courses at A.K.C., which included tunnels and collapsed tunnels and a 'catwalk,' later renamed 'dog walk.' Initially, Varley included only one jump to the course, which was very high.

In 1980, The Kennel Club of the U.K. recognized dog agility as a sport and began to sanction trials. The dog agility sport was inspired by the sport of equestrian show jumping. In 1993, the American Kennel Club held a meeting regarding agility as a sport for dogs, and in 1994, the first A.K.C.'s licensed agility trial took place at the Astro World Series of Dog Shows.

Greater Atlantic City Concierge Association's Spotlight:

**Wild Honey Smokehouse & Tavern**

Submitted by: Judy Brenna, GACCA Communications Director  
 Catering & Events Director, Blue Dog Hospitality Group

**WILD HONEY**  
 SMOKEHOUSE AND TAVERN

**Name of venue:** Wild Honey Smokehouse & Tavern

**Where are you located?** The Quarter at Tropicana Casino and Resort - 2831 Boardwalk in Atlantic City.

**What are your hours of operation?** We are open Wednesdays through Sundays from 4 pm to 9 pm.

**What does your venue specialize in?** We set out to create a respite where friends can gather to enjoy the finer things in life – BBQ, bourbon, beer, and music. That's when Wild Honey Smokehouse & Tavern was born. So, belly up to the bar for happy hour, grab a table for lunch or dinner, or drop by for a night out with friends - the beer's always cold and the bourbon's smooth.

**What is the current reason one MUST come to your venue?** Everyone is welcome. We're never pretentious. We serve good food, strong drinks, great tunes, and GENUINE BBQ slow and low.

**What is the venue's greatest feature?** We are Atlantic City's only true BBQ restaurant and bar! Our meat is always cooked low and slow over wood smoke, resulting in a distinct smoky flavor and tender texture. Live music is also a staple at Wild Honey. We frequently host to local artists, touring musicians, and bands from across the country of all genres.

**Tell us a little about your Founder:** Wild Honey is helmed by Operating Partner Tom Recine, whose background spans 20+ years of running high-volume bars, restaurants, hotels, resorts, and casinos, including holding the position of CEO of Sugar Factory for 8 years. After realizing a great opportunity on the Atlantic City boardwalk for BBQ, he set out to create Wild Honey. He envisioned a place built on a few, simple guiding pillars - good food, strong drinks, and great tunes, creating a destination and experience fluid enough to gather for happy hour at the bar, grab a table for lunch or dinner, or drop by for a night out with friends.

**What are some other special reasons to come visit?** The 4,000-square foot Wild Honey Steakhouse and Tavern seats 130 guests, with an indoor patio, the perfect setting for a unique reception space for any social or corporate event!

**Please share any important information locals and visitors should know about:** We accept reservations, can make dishes gluten free upon request, offer vegetarian options, take out options and even deliver through Toast and Uber Eats!

## ROSEMARY MARTIN & Kato

Rosemary Martin of Philadelphia, Pennsylvania, came to The Seeing Eye to be matched with her third Seeing Eye dog, a black Labrador retriever named Kato. The photo shows Rosemary, wearing a black dress and sitting on a large rock, bending over to get a kiss from Kato.

"I like to think that the secret of The Seeing Eye is in the magic of the match," Rosemary said. "Kato is the perfect combination of my first two guides. He has the confidence and diligence of Jordan, the affection of Star, and is as loyal as both."

Rosemary is a contract specialist for a federal agency and works on a military base. "My building holds about 800 people, and Kato was able to locate my cubicle after only a few trips with little direction from me. I'm not sure who will be more excited to go back into the office once COVID-related restrictions are lifted," she said.

## PPAWS - People & Puppies at Work for Sight "MEET THE PACK!"

### HAPPY WOMEN'S HISTORY MONTH!

Did you know that without Dorothy Harrison Eustis, a woman of remarkable vision and generosity, The Seeing Eye—and indeed the entire service dog movement—may never have started?

Dorothy, the daughter of a wealthy businessman from Philadelphia, later moved to Switzerland, where she began breeding and training German shepherds for police and military use. During a trip to Germany, Dorothy witnessed German shepherds being trained for another purpose—guiding military veterans who had been blinded in World War I. She was so impressed by what she had seen that she wrote an article about it for the Saturday Evening Post.

"It was as though a complete transformation had taken place before my eyes," she wrote in the article. "One moment, it was an uncertain, shuffling blind man, tapping with a cane; the next, it was an assured person, with his dog firmly in hand and his head up, who walked toward us quickly and firmly, giving his orders in a low confident voice. To think that one small dog could stand for so much in the life of a human being, not only in his usual role of companion but as his eyes, sword, and shield and buckler!"

In response to that article, Dorothy received letters from people who were blind asking for guide dogs. One stood out from a college student named Morris Frank. Dorothy invited him to Switzerland to learn how to work with and care for a German shepherd. From that partnership, The Seeing Eye was born. From that wellspring came guide dog schools around the world, as well as service dogs trained for other purposes!

Photo Description: A black and white archival photo of The Seeing Eye's co-founder Dorothy Harrison Eustis holding the leashes of the three German shepherds sitting and standing before her.

PPAWS (People & Puppies at Work for Sight) is a dedicated group of local families from Atlantic and Cape May Counties, which raise these amazing puppies for The Seeing Eye. Until a Seeing Eye dog is ready for training, he or she lives with a puppy raising or foster family that gives the dog love, gentle guidance, and consistent care. These volunteers nurture their puppy to accomplish its special destiny.

If you are interested in raising a puppy for The Seeing Eye, call Peter at (609)804-8774 or visit [seeingeye.org/raise](http://seeingeye.org/raise) for info.
