INGREDIENTS:

- 1 Cup Ketchup
- ~ 2 TBS. (To Your Liking) Jarred horse radish
- 1/2 tsp. Balsamic Vinegar
- 1 tsp. Fresh Squeezed Lemon Juice
- 1/2 tsp. Worcestershire Sauce
- 1 tsp. Sriracha Sauce
- 1 tsp. Old Bay Seasoning
- 1/2 tsp. Smoked Paprika
- Kosher Salt to Taste

PREPARATION:

In a small bowl, whisk all ingredients together. Refrigerate & chill for 2 hours before serving. Enjoy a New Year shrimp cocktail with this mouth banger!

Hint: You can use this as soon as you make it, if necessary. I personally like to let the flavors come together more by refrigerating longer. Be sure to have your Bloody Mary, Clamato, or Mimosa ready. Happy New YEAR!!

Greater Atlantic City Concierge Association's Hot Spot:
High Rollers Dispensary

Submitted by: Judy Brenna, GACCA Communications Director
 Catering & Events Director, Blue Dog Hospitality Group

Whenever the subject of cannabis comes up my brain instantly goes to that war on drugs campaign from the 80's where the father finds a box of the devil's lettuce in his son's room and when he confronts his stereotypical degenerate teen with it he demand, "Where did you learn how to do this?" in a very judgy, accusatory tone, to which the degenerate teen explains "You, alright! I learned it by watching you!" as the woman in the back clasps her pearls. Even at a young age I always got a kick out of that. Not at the message and subtext that came across, because it was a very important one, but the high disappointment level the father had with his son smoking weed.

Fun fact! Cannabis has been used by humans since at least the third millennium BC. And Archaeological evidence proves Cannabis may have been used as far back as the Pre-Pottery Neolithic B period (8800–6500 BCE), for making fiber and ropes, but also utilized in religious ceremonies and, of course ((as Cheech and Chong smile in adoration)) for recreational use. That's right folks, from time to time, even the neoliths liked to take on the ganqa.

I will not bore you with the long and drawn-out list of medical benefits cannabis has offered over many a millennium, but I will touch on a great space you can go to for all your cannabis needs, High Rollers Dispensary, located at The Claridge Hotel, on South Indiana Avenue. At High Rollers, their mission transcends the transactional nature of a dispensary visit. They are on a passionate journey to redefine the cannabis experience, infusing it with purpose, education, and community spirit. Their commitment is anchored in the belief that cannabis isn't just a product—it's a catalyst for positive change, creativity, and well-being.

They are all about education, because through education you can understand the multiple uses and benefits of the product, eliminating some very misinformed stigmas many people have associated with it since... well since the Islamic culture banned it in the 1300s. And naturally, the Pilgrims. We don't need to go into all the awful choices the Pilgrims made for the sake of Jesus ((et, Salem Witch Trials)). At the very core High Roller's mission is the dedication to empower the community through knowledge, providing a platform where everyone, from novices to seasoned enthusiasts, can make informed decisions about their well-being. High Rollers is not merely a supplier of products; they are a trusted source of information, cultivating a culture of understanding and enlightenment around cannabis.

And there are products for almost everything. If you need something to clear your mind and help you focus, they've got a product. If you're experiencing a bout with anxiety, they have a product. If you're in need of a creativity boost, they have a product. If you have the worst problem falling asleep but get SUPER paranoid if you smoke something and when you do smoke something you need to go walk it off in the woods for an hour and a half, repeatedly asking your boyfriend at the time if he still loves you, and then demand he feeds you ALL snacks, they have a product.

If you haven't been to a dispensary yet, it is in no way what you are imagining. Before my first visit I was envisioning a hole carved out of the earth, dimly lit, dirty linoleum floors, and a very skinny man with bottle cap glasses and a pock-marked face mumbling behind a plexiglass plate. It's far from that. A posh lounge with sofas and end tables, an air of sophistication, where the staff will discuss with you your needs and help you find the right product. If you're like me and prefer to not inhale, they have a huge array of gummies, lozenges, and chocolates, all containing different medicinal qualities and levels to suit your needs. And if you're like me and you prefer items without the mind alternating effect, they have that too.

On a personal note, cannabis has helped me tremendously over this last year. I have been dealing with some tough physical issues (with impending spinal surgery and knee replacement). I stick with CBD products (sans the mind-altering THC) and it greatly helps with the pain, and gives me the opportunity to focus on my everyday life without being in agony. I encourage you all to at the very least go take a tour. Everyone on staff is super helpful and attentive. More info at highrollersdispensary.com or you can email them at Info@highrollersdispensary.com.

JONATHAN GOODMAN & Phelps

Jonathan Goodman of Somerdale, New Jersey, was 18 years old when he was matched with his first Seeing Eye dog. In January, he returned to The Seeing Eye to be matched with his fifth, a black Labrador/golden retriever cross named Phelps. The photo shows Jonathan smiling as he hugs Phelps at his side. Jonathan works in Regional Commercial Banking Business Development for TD Bank.

"I've been blessed with five amazing partners from The Seeing Eye, but I've never been locked down so much because of what is going on in the world," said Jonathan, who moved into his own home in March.

"It is good to start getting out and living again now that stuff is opening up a bit. Before, we got out when we could, and we stayed home and played a lot and worked on obedience, but it's good to be out again. I am used to being much more active than we were able to be," he said. "I really do live a better quality of life because of my furry partners."

PPAWS - People & Puppies at Work for Sight

"MEET THE PACK!"

SEEING EYE DAY WITH THE NEW JERSEY DEVILS!

It's official! The Seeing Eye's annual visit to a NJ Devils game in 2025 will be on Sunday, January 19, 2025, at 1 PM. Seeing Eye puppies and raisers will attend and watch the NJ Devils take on the Ottawa Senators.

Attending activities such as a hockey game provides essential exposure to Seeing Eye puppies. Experiencing large crowds, stadium smells, and roaring fans at a young age will better help these pups navigate their future handlers when they one day become working Seeing Eye dogs.

If you're interested in attending, and meeting all the cute puppies who attend with their raisers, special discounted group tickets are available for purchase today at <https://fevo-enterprise.com/event/Seeing-Eye119>

PPAWS (People & Puppies at Work for Sight) is a dedicated group of local families from Atlantic and Cape May Counties, which raise these amazing puppies for The Seeing Eye. Until a Seeing Eye dog is ready for training, he or she lives with a puppy raising or foster family that gives the dog love, gentle guidance, and consistent care. These volunteers nurture their puppy to accomplish its special destiny.

If you are interested in raising a puppy for The Seeing Eye, call Peter at (609)804-8774 or visit seeingeye.org/raise for info.

GIVE BLOOD

Why Donate Blood?

You don't need a special reason to give blood. *You just need your own reason.*

- Some of us give blood because we were asked by a friend.
- Some know that a family member or friend might need blood some day.
- Some believe it is the right thing to do.

Whatever your reason, the need is constant and your contribution is important for a healthy and reliable blood supply. And you'll feel good knowing you've helped change a life. To learn more, visit www.redcross.org

The need is constant. The gratification is instant. Give blood.

NBA: First Overall Draft Picks

By Alex Hendry

Questions:

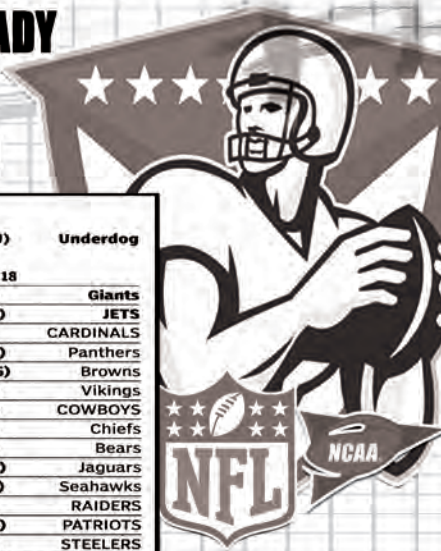

- 1) A French (basketball) revolution! In consecutive NBA drafts, the first overall pick was a player from the French professional league. Victor Wembanyama was first — who followed him in 2024?
- 2) Nicknamed "The Admiral," who is the only United States Naval Academy alumnus to be drafted first overall?
- 3) Basketball is a global game, but it wasn't until 2006 that a player from Europe was drafted first overall. Who made history as the first European-born player to be taken at the top of the draft?
- 4) Who was the first player in NBA history to be drafted first overall directly out of high school?
- 5) Trusting "The Process" — the Philadelphia 76ers had the first overall draft pick in consecutive years (2016-2017). Who did they select with both picks?
- 6) Hello, goodbye! Who was drafted first overall by the Cleveland Cavaliers, only to later be traded to Minnesota before playing a game?
- 7) Excluding the stint in New Orleans, who is the only player to be selected first overall by the Charlotte Hornets franchise?
- 8) Injuries disrupted a promising basketball career — drafted ahead of Kevin Durant — but who did the Portland Trail Blazers select with the top pick in 2007?
- 9) Hakeem Olajuwon made history in 1984 as the first Nigerian-born player to be drafted with the first pick. The Los Angeles Clippers would try to repeat history in 1998 when they selected who?
- 10) Who was the first player in NBA history to be drafted first overall and also be later selected for an NBA All-Star team?

Answers:

- 1) Zaccharie Risacher
- 2) David Robinson (1987)
- 3) Andrea Bargnani
- 4) Kwame Brown (2001)
- 5) Ben Simmons and Markelle Fultz
- 6) Andrew Wiggins (2014)
- 7) Larry Johnson (1991)
- 8) Greg Oden
- 9) Michael Olowokandi
- 10) Ray Felix (drafted in 1953, All-Star in 1954)
