HOROSCOPE

MARCH 27 - APRIL 2, 2025

ARIES (Mar. 21- April 20)

Your season is in full swing, fueling you with confidence and motivation. A new opportunity may arise, but you'll need to act fast to seize it. Just be sure to pace yourself—burnout is real, even for you.

TAURUS (Apr. 21- May 21)

This week calls for patience as things may not move as quickly as you'd like. A financial or personal matter could require careful planning. Trust the process, and don't let minor delays throw you off course.

GEMINI (May 22-June 21)

Your social life is buzzing, and exciting connections could open unexpected doors. A casual conversation may spark a new idea or opportunity. Just be mindful of spreading yourself too thin—quality over quantity matters.

CANCER (June 22-July 22)

Career and ambitions take the spotlight, pushing you to make bold moves. A challenge at work could test your patience, but staying persistent will lead to success. Don't forget to carve out time for personal well-being.

LEO (July 23-Aug 22)

You're craving adventure, whether through travel, learning, or new experiences. A shift in perspective may help you break free from a limiting belief. Step outside your comfort zone, but stay grounded in reality.

VIRGO (Aug. 23 -Sept. 23)

This week may bring intense emotions or deep conversations that lead to transformation. A financial decision or investment requires careful thought—don't rush. Let go of what no longer serves you and embrace change with confidence.

LIBRA (Sept. 24 -Oct. 23)

Relationships take center stage, and a key partnership may require your attention. Whether romantic, personal, or professional, open and honest communication is crucial. Be clear about your needs and listen to others with an open heart.

SCORPIO (Oct. 24 - Nov. 22)

Your focus is on productivity, and it's a great week to check things off your to-do list. A shift in your daily routine could lead to better health and efficiency. Just don't let perfectionism hold you back from making progress.

SAGITTARIUS (Nov. 23 -Dec. 21)

Passion and creativity take center stage, making this a great time for self-expression. Romance may heat up unexpectedly, bringing excitement into your personal life. Enjoy the fun, but don't ignore responsibilities that need your attention.

CAPRICORN (Dec 22.- Jan. 20)

Home and family matters may require your energy, but they also bring comfort and stability. A domestic change—big or small—could create a fresh start. Find ways to balance personal life with career ambitions.

AQUARIUS (Jan. 21 -Feb. 19)

Your mind is sharp, and communication plays a big role in your success this week. A conversation, idea, or piece of news could lead to an important breakthrough. Stay flexible, as plans may shift unexpectedly.

PISCES (Feb. 20-Mar. 20)

Financial matters come into focus, and you may need to reassess a budget or long-term plan. A creative or side project could show promise—consider how to turn it into something sustainable. Trust your intuition, but don't ignore practical details.

April 25 - Earth Day Hosted by Go Green Galloway

4 - 7pm

Seven years ago, Go Green Galloway launched the Green Market, a summer farmer's market that quickly became a local staple. In recent years, the organization decided to enhance this market by introducing a special Earth Day event, now in its fourth year. The Earth Day Green Market offers attendees a unique and vibrant experience that goes beyond the typical shopping affair. More than just ornamental, native plants play a crucial role in supporting South Jersey's ecosystem. Multiple native plant nurseries and the Native Plant Society of New Jersey will be present at the Earth Day Green Market, guiding visitors on selecting plants that work well in various conditions, including shade and perimeter areas. However, the Earth Day Green Market is not merely a plant show. Attendees can explore a diverse array of vendors offering crafts, artwork, and delicious food. From vegan and vegetarian treats from Café Blossom on the Go food truck to honey from Busy Bees, fresh bread from Baker's Bounty, and pies from Dawn's Delights, there's something scrumptious for everyone.

South Jersey Wines

Submitted by: Judy Brenna, GACCA Communications Director
 Catering & Events Director, Blue Dog Hospitality Group

Wine. That sweet, sometimes dry, nectar of the Gods. Wine's importance stems from its role in culture, social gatherings, and its potential health benefits, particularly in moderate consumption, (emphasis on the word "moderate") while also serving as a symbol of joy and celebration in many traditions. We all know what it is. Most of us thoroughly enjoy it on more than one occasion and on days that don't even involve celebrations or holidays. Wine, however, has been taken very seriously throughout the state of New Jersey as of late, the South Jersey landscape becoming the perfect setting for winemakers. It is a known fact that certain regions of the world are prime real estate for producing wine, regions of Italy, for example, of course, thanks to the rich, volcanic deposits, and the Napa Valley for its super unique climate, consisting of warm summers and extremely mild winters. But NJ is unique, thanks to thousands of years of enriched soil. We are after all, the GARDEN state. And not many people realize how truly great the wine has developed here, or how vast the supply is in general. Let's break down the list, shall we?

A quick list to take note and check out, Sharrot Winery, Plagido Winery, Tomasello Winery, and DiMatteo Winery, all in Hammonton, Jesse Creek Winery and Natali Winery in Cape May Courthouse, Bellview Winery in Landisville, Hawk Haven Vineyard in Rio Grande, Valenzano Family Winery in Shamong, William Heritage Winery in Mullica Hill, Cape May Winery, and Turdo Vineyards, all in Cape May.

There are 3 places in my humble opinion are totally worth mentioning, the first being Renault Winery, in Egg Harbor City. Renault Winery boasts over 160 continuous years of careful cultivation, persistence, and innovation. Nurturing the dream of their founder, Louis Renault, who set out to produce champagnes and fine wines to be enjoyed throughout the world. Their champagnes and fine wines have been continuously produced since 1864 and, fun fact, they are among a very select few United States wineries with the privilege to label their sparkling wine as Champagne, using their state-of-the-art champagne methods and careful crafting enable Renault Champagne and Fine Wines to continue its timeless legacy. Renault also serves up a huge supply of fun and entertainment at their venue. Their Champagne Garden experience is my absolute fave. Check out their website and learn more at <https://www.renaultwinery.com>.

Another place, which I highly recommend, is Balic Winery, in Mays Landing. A rich, and grounded setting, Balic Winery, founded by Savo Balić, a former vine-grower, from the Adriatic Sea, migrated to the United States, and in 1966 he fulfilled his lifelong desire to bring European accent to the American winemaking scene by acquiring the 57-acre vineyard. Now in its 59th year, and run by Savo's nephew, Bojan, there are many exciting things happening at Balić's Winery. They've revamped their buildings, upgraded their equipment, and expanded their product line with several new wines released to better serve their growing clientele. Check them out at <https://www.balicwinery.com>.

And lastly, Willow Creek Winery & Farm in West Cape May, NJ. Nestled on a stunning 50+ acre vineyard estate in Cape May, New Jersey, Willow Creek Winery offers a one-of-a-kind winery experience just minutes from the beach and downtown. As you travel down their scenic vineyard road, passing rolling vines, lush gardens, and local wildlife, you'll feel transported to the vineyards of France or California—without ever leaving the East Coast. Inside, the 300-seat tasting room has a relaxing, intimate feel with plush seating and a stone hearth. And best of all, fur babies are welcome here too! Definitely check them out at <https://willowcreekwinerycapemay.com>.

Now go forth and consume wine.

Children of the Week

Boys & Girls Club of Atlantic City

Thanks to the Michael Phelps Foundation, 50 club members in grades 3-6 took the plunge, gaining lifesaving swim skills through Boys & Girls Club of Atlantic City's new program. Every week, they hit the pool at the Brigantine Aquatic Center & learned essential water safety. This month, they're walking away with medals, confidence, & a skill that could one day save a life! Huge congratulations to our swimmers—we're so proud of you!

NUTRITION, WEIGHT LOSS & FITNESS

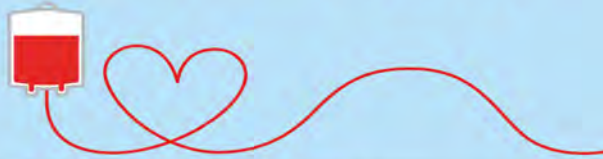

INHALE!

Oxygen is the spark needed by every cell in the body - more oxygen equals more energy. The best way to receive this oxygen is right in front of our eyes: your nose. Breathing in and out through the nostrils not only purifies the air, warms the air, it also pressurizes the air. Nose breathing keeps those vital gases, carbon dioxide and oxygen, in balance. In addition to that, it produces nitric oxide, which improves your lungs ability to absorb oxygen and transport it throughout the body. It relaxes vascular smooth muscle and allows blood vessels to dilate, increasing the oxygen availability for every cell. Maybe it's time to seriously assess the quality of air that is breathed in every area you visit in a day.

Help save lives. Give blood.

Why Donate Blood?

You don't need a special reason to give blood. *You just need your own reason.*

- Some of us give blood because we were asked by a friend.
- Some know that a family member or friend might need blood some day.
- Some believe it is the right thing to do.

Flowery Romances to Adorn Your Bookshelves This Spring

The long winter has ended and spring is finally here. The flowers are blooming, their sweet perfume filling the air — right alongside the promise of love and new beginnings! This bright season is the perfect time to add some heartwarming romances to your bookshelves, so I've curated a list of romances — from contemporary rom-coms to YA romantasy — with the best flowery covers to match the spring vibes. In these stories, love is blooming in a variety of ways. So find your favorite and get to reading!

Things We Never Got Over by Lucy Score

When I think of flowery spring vibes, this TikTok sensation is the first cover that comes to mind — as well as its two sequels! The story follows Naomi Witt, who runs away from her wedding to help her estranged twin, Tina. But when Tina vanishes, stranding Naomi in Knockemout, Virginia, she leaves behind a niece Naomi never knew existed — and a whole mess of trouble. Determined to rebuild, Naomi finds herself constantly clashing with Knox Morgan, the town's grumpy, tattooed loner who avoids attachments. Yet, despite his rough exterior, Knox can't resist helping her. As Naomi juggles single parenthood, unexpected dangers and an undeniable attraction, she realizes that some people — no matter how guarded — are worth taking a chance on.

Something Like Fate by Amy Lea

Fate, meet-cutes and friends-to-lovers? Count me in! This romantic coming-of-age follows Lo Zhao-Jensen, who comes from a family of women who foresee their soul-mates — except her. With no psychic ability and a history of bad romantic choices, Lo believes fate has nothing planned for her. But when she experiences an unexpected vision, her family insists she'll meet "The One" during her backpacking trip through Italy. Setting out with her best friend, Teller Owens, Lo runs into a handsome stranger in Venice in a perfect meet-cute, making her wonder if destiny is real. But as she travels, her growing feelings for Teller complicate everything. Now, Lo must decide if love is written in the stars or something she gets to choose.

What Happens in Amsterdam by Rachel Lynn Solomon

This second-chance romance is blooming with exciting new opportunities! The story follows 30-year-old Dani Dorfman, who, after a messy breakup and job loss, relocates from Los Angeles to Amsterdam seeking a fresh start. There, she unexpectedly reunites with Wouter van Leeuwen, her high school ex-boyfriend and a Dutch exchange student her family once hosted. Wouter proposes a marriage of convenience; he needs a wife to inherit his family's canal-side home, and Dani requires a visa to stay in the Netherlands. As they navigate this arrangement, old feelings resurface, challenging their initial intentions and prompting Dani to reevaluate her new life and the risks of embracing a second chance at love.

Flowerheart by Catherine Bakewell

Clara's magic has always been wild and difficult to control, but when she accidentally curses her father with dark magic, she realizes just how dangerous her powers can be. Desperate for help, she turns to her former best friend, Xavier, a talented magician training with the mysterious authorities known as the Council. As Clara struggles to master her abilities before it's too late, she uncovers secrets about Xavier, the Council, and the true nature of her magic. With time running out, she must decide whether to follow the rules or trust her heart to save the people she loves. If the gorgeous cover didn't already convince you, I'm sure now you understand how this cozy cottagecore fantasy has captured so many readers' hearts.

This Could Be Us by Kennedy Ryan

Soledad Barnes's life unravels when her husband is arrested for embezzlement, leaving her to care for their three daughters. Determined to rebuild, Soledad turns to social media influencing, sharing her passion for home hacks, cooking and DIY projects. Her journey of self-discovery leads her to reconnect with Judah Cross, the forensic accountant who exposed her husband's crimes. Though their growing attraction is undeniable, their complicated history and Judah's role in her family's downfall make a relationship feel impossible. As she navigates the challenges of single motherhood and personal growth, Soledad must decide if she's ready to embrace love again and open her heart to new possibilities.

SHARON BALLANTYNE & Echo

The

Rev. Sharon Ballantyne, Ph.D., was recently matched with Echo, her fifth Seeing Eye dog. The photo shows Sharon standing proudly alongside Echo, a black Labrador retriever.

After graduation they returned to Ontario, Canada, where Sharon is pastor at Dunsford United Church. "Echo is sensitive, caring, eager, and keen to please. She is loved by all wherever she goes," Sharon said.

"When not in her harness, she loves to play. A ball or a stuffie, a kong, or her bone, she noses me to remind me when it's time for breaks. Echo is a very animated black lab. She is gleeful, wiggling from her head to her tail, and so adorably sweet, extending her invitation to play, to go outside, to explore in her fenced dog play yard or go for a walk."

Echo frequently snuggles with her "mentor" — Sharon's retired Seeing Eye dog, a black Labrador retriever named Wilson.

"Every day is a dog's day of blessing," Sharon said. "Thank you Seeing Eye!"

Pet of the Week

MISTY

We are looking for a nice quiet home for this sweet senior named Misty. She is absolutely the easiest dog to get along with. She does, however, needs to be an only pet as she does not like other dogs. We have her loose in our office most of the time and she just hangs out. She is 11 years old and only has a few years left but has lots of love to give.

THE SEEING EYE Gala

WEDNESDAY, MAY 7, 2025 • 6PM - 9PM
 MOUNTAIN RIDGE COUNTRY CLUB • WEST CALDWELL, NJ

PPAWS (People & Puppies at Work for Sight) is a dedicated group of local families from Atlantic and Cape May Counties, which raise these amazing puppies for The Seeing Eye. Until a Seeing Eye dog is ready for training, he or she lives with a puppy raising or foster family that gives the dog love, gentle guidance, and consistent care. These volunteers nurture their puppy to accomplish its special destiny.

If you are interested in raising a puppy for The Seeing Eye, call Peter at (609)804-8774 or visit seeingeye.org/raise for info.
